

MORE² Banquet Benefactor's List

Each year the MORE² program booklet has included a Thank You page or list to recognize corporate sponsors, equity partners, those who have contributed time and talent, and the banquet committee. In some years we have honored some who have made cash contributions, but have elected not to receive an ad in the publication. In 2009 we expanded our benefactors listing to include anyone who made a contribution of a predetermined amount and elected not to have an ad in the booklet.

A business may be listed by contributing \$50 OR MORE. An individual or family e.g., Sandi Holderman or Judy and Larry Terry or The Grummons: Miranda, David and Joshua, may be listed with a contribution of \$25 OR MORE.

This option may be attractive to some congregation members who would like to support MORE², but do not own a business, do not want to purchase a “*Congratulations to MORE²*” ad, or an *in memoriam* ad*, or who need to contribute less than \$150.

This should not be first sales offer that is made to a prospective supporter, but it is an option that can increase our fundraising. It should be explored after a business or individual has expressed an inability to support this event at the \$150 level.

*In the past one MORE² supporter has purchased a \$150 ad in memory of his parents. This may be an untapped revenue source for us. Please consider suggesting this as a possibility when approaching individuals for contributions.

DEADLINE FOR SUBMISSION—May 27, 2015
