**A Transportation Public Meeting**  
**Thursday, August 27, 2009 6:00 pm**  
**Zion Grove Missionary Baptist Church**  
**2801 Swope Parkway, KCMO 64130**

- Can you imagine public transportation in our community that is fair and equitable?
- Are you willing to enter into discussion about:
  - ◇ Your own experience of transportation in your day-to-day life; and
  - ◇ The tension between our power and the ways we can affect key decision makers?
- Are you willing to be part of a collective story-telling action in order to transform our community?

Then join us as we take action to change public transportation policy in order to connect the dots.
